ANTAR AL GHARBIYA  
TRADING COMPANY  
انتار الغربية ترادينغ

## About Us

## About Us

Antar Al Gharbiya Trading Company was established to contribute to architectural and construction development in the Kingdom of Saudi Arabia, aligned with the Kingdom's ambitions to successfully deliver major projects, develop communities, and build human civilization.

Our goal is to build long-term, sustainable relationships with clients based on trust and a deep understanding of their needs and requirements. Trust is the foundation of our relationships with our clients, partners, employees, and community. This pushes us to consistently elevate the caliber of our engineers and talent to deliver optimal solutions, raise performance standards, and encourage innovation to secure a strong position both locally and internationally.

---

Leadership in general contracting and engineering project management requires staying aligned with scientific and technological advancement. Through the Kingdom's vision, Antar Al Gharbiya aims to be a leading player in various engineering contracting fields and to collaborate with major consulting offices and contracting companies inside and outside the Kingdom. This is achieved through the latest scientific methods and by relying on a distinguished team of engineers supported with forward-looking plans that enable continued innovation and high-quality execution across all disciplines. Our objective is to earn client trust and position ourselves among the top-tier companies in general contracting, both locally and globally.

## About Us

Antar Al Gharbiya provides its services comprehensively through qualified expertise and a highly skilled workforce committed to quality and integrity. Our team delivers unique value across various regions of the Kingdom.

Driven by our responsibility toward national development, the company offers professional services across key government, semi-government, and private sectors. Our scope of work spans infrastructure, civil, architectural, structural, and full electromechanical systems.

## Board of Directors' Message

## Board of Directors' Message

### General Manager

#### Dr. Eng. Ahmed Wagdy

At Antar Al-Gharbia, we aim to be an active contributor to the remarkable urban transformation taking place across the Kingdom of Saudi Arabia. We deliver fully integrated engineering solutions built on quality, precision, and adherence to world-class standards. We execute projects that generate real value and meet client expectations, while continuously developing our talent and reinforcing a strong team-driven culture.

Our vision is clear: to play a meaningful role in advancing the goals of Saudi Vision 2030 by shaping a modern built environment that supports economic growth, enhances prosperity for Saudi citizens, and drives progress and long-term development for the Kingdom.

---

### Executive Director

#### Mr. Hesham Gaber Abu Al Azm

At Antar Al Gharbiya, our operational strategy is founded on excellence, innovation, and uncompromising compliance with quality and safety benchmarks. We continuously enhance our systems and operating frameworks to ensure dependable project execution that reflects the company's professionalism and solid market standing.

Our primary objective is to build lasting client confidence and deliver meaningful value through practical, results-oriented solutions that meet project requirements and keep pace with the fast-evolving landscape of the construction and contracting sector.

## Board of Directors' Message

### Technical Office Manager

**Eng. Mahmoud Salah**

At Antar Al-Gharbia, the Technical Office plays a pivotal role in driving project success, serving as the critical link between design and execution.

We develop technical drawings and studies with precision, ensuring every detail is thoroughly reviewed and fully aligned with engineering standards. We equip the execution teams with all required technical information to ensure efficient and accurate project delivery.

Our objective is to provide practical, solution-driven designs that elevate work quality and enhance overall project performance in a fully integrated manner.

## Organizational Structure

# Organizational Structure

## Our Role in Saudi Vision 2030

# Our Role in Saudi Vision 2030

In light of the rapid and transformative progress taking place across the Kingdom of Saudi Arabia—economically, socially, and culturally—the nation is moving forward with an ambitious, future-driven vision aligned with the goals of Vision 2030. This national transformation aims to build a vibrant society, a thriving economy, and a forward-looking nation empowered for long-term prosperity. At Antar Al-Gharbiya, we continue to play an active and impactful role within this national movement. As a key contributor in the general contracting sector, we work side by side with the Kingdom to support its development ambitions. We leverage our skilled workforce and maintain continuous support for major investment programs across multiple contracting and infrastructure sectors, delivering large-scale projects throughout the Kingdom.

Our commitment across all projects is rooted in the core pillars of Vision 2030—creating attractive, sustainable environments that enhance quality of life for citizens, families, and communities. As a result, our partnerships with various governmental, semi-governmental, and private entities have yielded high-value projects distinguished by their scale, quality, and compliance with world-class standards. These collaborations have contributed meaningfully to economic, social, and cultural growth.

Our role in the Vision remains ongoing, strengthened, and future-focused. We are committed to building lasting value and establishing a distinctive presence in urban development—driving progress that elevates the nation and advances its prosperity.

## Company's Vision

## Company's Vision

To become the leading company and the first choice in general contracting and electromechanical works—delivering innovative, sustainable solutions and executing high-quality projects that contribute to building a modern urban future aligned with the ambitions of Saudi Vision 2030.

**LEADERSHIP IN  
THE CONTRACTING SECTOR**

**COLLABORATION WITH MAJOR CONSULTING  
FIRMS AND LEADING CONTRACTING COMPANIES**

**EXCELLENCE IN ENGINEERING  
PROJECT MANAGEMENT**

**APPLYING THE LATEST SCIENTIFIC METHODS  
AND ADVANCED ENGINEERING PRACTICES**

# Company's Vision

## Client Focus

The client is our starting point and our ultimate goal. We are committed to delivering our services with the highest level of quality to ensure maximum client satisfaction.

## Our Employees

Our employees are our true asset and intellectual capital. We invest in their full professional and technical development, providing continuous growth opportunities.

## Innovation

We embrace creative thinking to overcome complex project challenges. Innovation is embedded in all our activities and processes, enabling us to stay competitive in both local and international markets.

## Teamwork

We preserve a strong team spirit, fostering harmony and collaboration among all team members across various disciplines to achieve collective success.

## Achievement & Results

Achievement is at the heart of our culture. Every team member is a partner in the success story we build together.

## Professional Ethics

We adhere to the highest standards of professional ethics in our practices and relationships. We uphold these principles firmly and never compromise on our professional and moral values.

## Health & Safety

We spare no effort in providing a safe and healthy working environment, continuously striving to minimize the risk of workplace injuries. We are committed to equipping our teams with the necessary training to perform their duties safely and to safeguard their well-being at all times.

ANTAR AL GHARBIYA  
TRADING COMPANY

## Company Mission

## Company's Mission

Our mission is to foster an environment built on advancing sustainability standards—enabling our projects to succeed in execution and contribute directly to the development of national infrastructure. This commitment aligns with the aspirations of Saudi citizens for prosperous communities and modern, livable environments that support economic and social growth.

We strive to become one of the leading providers of professional engineering services. This includes continuously developing our workforce and earning client satisfaction by establishing long-term, trust-based professional relationships.

In alignment with our strategic plans, Antar Al-Gharbiya has consistently implemented programs aimed at empowering its human capital. This is achieved through a strong focus on attracting local talent, developing their technical competencies, and creating meaningful, long-term professional experiences that strengthen trust, creativity, and overall capability within our teams

## Core Values

# Core Values

Delivering advanced engineering and technological solutions that meet future needs.

Executing projects in accordance with the highest international standards and specifications.

Respecting project timelines and delivering results with high efficiency.

Building relationships founded on transparency and trust with clients and partners.

Applying the highest health and safety standards across all projects.

Investing in a professional engineering team is the core driver of our success.

ANTAR AL GHARBIYA  
TRADING COMPANY  
انتار الغربية تراديڨ

## Our Services

# Our Services

## Civil Works

- **Infrastructure Works:**  
Road networks, pavements, stormwater drainage, groundwater discharge systems, water networks, and sewage networks.
- **Building Construction Works:**  
Residential, commercial, industrial buildings, administrative facilities, and warehouses.
- **Reinforced Concrete Works:**  
Foundations, columns, walls, slabs, and complete concrete structural systems.
- **Interior & Exterior Finishing Works:**  
Flooring, suspended ceilings, painting, stone works, marble, and cladding systems.
- **Steel & Structural Works:**  
Metal structures, glass façade systems, and metal curtain wall systems.
- **Site Development & Landscape Works:**  
Gardens, irrigation networks, green areas, and urban outdoor furniture.

## Our Services

# Landscape Works

Landscape development is far more than creating green spaces—it's a science and an art that blends aesthetics, engineering, and sustainability. With extensive experience in delivering landscape projects for residential compounds, government facilities, hotels, and resorts, we ensure fully integrated solutions that capture the client's vision and add both functional and visual value to the project.

The company provides comprehensive landscape design and execution services, including site analysis and the development of coordinated outdoor layout plans that reflect the aesthetic identity of the project. These services cover earthworks, grading, excavation, backfilling, soil improvement, the installation of green areas, and the planting of trees and shrubs suitable for the local environment.

We also implement advanced irrigation systems that rely on smart technologies to optimize water usage. In addition, we execute a wide range of hardscape works such as pathways, pavements, seating areas, fountains, and shading structures. These elements are seamlessly integrated with exterior lighting systems that highlight the beauty of the landscape while ensuring maximum safety.

The company also provides operation and routine maintenance services to maintain the quality of green areas and built elements—ensuring a balanced outdoor environment that combines beauty with functionality.

## Our Services

# Electrical Works

- **Electrical Distribution Networks:**  
Low, medium, and high voltage systems.
- **Internal & External Electrical Installations:**  
Cables, distribution panels, breakers, and lighting systems..
- **Building Management Systems (BMS)**
- **Backup Power Systems:**  
Generators, Uninterruptible Power Supply (UPS) units, and solar power systems.
- **Telephone & Communication Systems:**  
Internet and telephone networks, CCTV cameras, audio systems, fire alarm systems, and access control systems.
- **Electrical Protection Systems:**  
Earthing systems, lightning protection, and protection of sensitive equipment.

## Our Services

# Low Current Systems

- **Communication & Data Networks:**  
“Structured cabling systems, data center”.
- **CCTV Surveillance Systems & Control Rooms.**
- **Fire Alarm Systems:**  
“Conventional and addressable fire alarm systems”.
- **Public Address & Audio Systems (PA).**
- **Access Control Systems:**  
Entry and exit control solutions.
- **Building Management Systems (BMS).**
- **Central Timing Systems.**
- **Audio-Visual & IPTV Networks.**

# Our Services

## Mechanical Works

- **HVAC Systems (Heating, Ventilation & Air Conditioning):**  
Central AC systems, package units, DX units, AHU units, and FCU units.
- **Fire-Fighting Systems:**  
Fire suppression systems including sprinklers, gas extinguishing systems (FM200, NOVEC, CO<sub>2</sub>, FOAM, AEROSOL), water mist systems, fire pumps, and complete piping and valve networks.
- **Plumbing & Sanitary Works:**  
Sanitary fixtures, water tanks, and pumping systems.
- **Compressed Air & Pressure Systems:**  
Industrial and hydraulic air and pressure systems.
- **Elevator Systems**

## Our Services

# Fire-Fighting Systems

- **Automatic Sprinkler Networks:**  
Sprinkler systems.
- **Manual Fire-Fighting Systems:**  
Fire hoses and extinguishers.
- **Gas Suppression Systems:**  
FM200, CO<sub>2</sub>, NOVEC, AEROSOL systems.
- **FOAM Fire-Fighting System.**
- **Water Mist Fire-Fighting System.**
- **Fire Pump Stations:**  
Diesel, electric, and jockey fire pumps.
- **Piping Networks & Valves.**
- **Integrated Fire Alarm Systems.**
- **Testing & Preventive Maintenance Services.**

## Our Services

# HVAC & Ventilation Systems

- **Central Cooling Plants:**  
Chillers and cooling towers.
- **DX Systems:**  
Package units and split units.
- **Air Handling Units (AHU)  
Fan Coil Units (FCU)**
- **Ducting Networks:**  
Complete air-duct systems for supply, return, and exhaust.
- **Ventilation & Positive Pressure Systems.**
- **Control & Operation Systems.**
- **Performance Testing & Energy Efficiency Evaluation.**
- **Preventive and Post-Execution Maintenance Services.**
